

- 1) The loyalty scheme is available only for [members of Act One Cinema's Parents & Babies \(P&B\) Club](#), who have a [registered online account](#) on our website. Registration to the club and the website are free.
- 2) The starting day of the scheme is 17/01/2022. Any tickets bought for P&B screenings that took place **before** that day, do not count towards the 5 tickets needed to claim a free ticket. However, tickets that were bought **before** 17/01/2022 for P&B screenings that will take place **after** the aforementioned starting date (i.e. **Boiling Point** on 18/01/2022 and **Belfast** on 25/01/2022), will count towards the 5-tickets requirement.
- 3) The scheme applies only to P&B tickets bought through the club member's account or at the Box Office. The free ticket can be claimed only in-person at the Box Office, it is valid only for a P&B screening and cannot be exchanged for money or other benefits.
- 4) P&B tickets bought with a [voucher](#), a founder or [annual membership](#) are valid for the scheme.
- 5) Any P&B ticket bought by a registered club member according to the above terms will count towards the 5-ticket requirement. For example, if a registered club member buys three tickets for one P&B screening (e.g. one for themselves, one for a partner and one for a friend), then that club member will be required to buy only two more tickets before claiming their free ticket.
- 6) Act One Cinema's normal [T&C](#) apply.
