### PETER BLAKESLEY: LET IT SHINE

28 April - 30 May

Art is in us all; we just have to develop it, practice it, and nurture. As children we all have that capability, but we don't always follow the heart. Art is limitless, and this is perhaps why I continue to experiment with mediums, and not restrict myself to one type, or style, of painting.

Light and suggestion have superseded realism in my paintings, and I continually strive to achieve this, and to reflect the natural beauty of the countryside.
