Location

Address:

John Peel Centre for Creative Arts, Church Walk, Stowmarket, Suffolk, IP14 1ET

The John Peel Centre is located on Church Walk in Stowmarket, Suffolk. The building has an accessible entrance on Church Walk, with push button access double doors and step-free access throughout the venue. Once you have entered the building you will find accessible toilets to the right (there are no disabled facilities within either of the male or female blocks), and the performance hall are all located on the ground floor.

There is a mezzanine floor which is accessible by stairs or a lift. The lift is approximately 5m from the front entrance and 3.5m from the entrance to the performance hall. Seats are available on the mezzanine as long as you are able to evacuate fully of your own accord. This is for Health and Safety reasons as there are no emergency exits on the mezzanine floor.

The John Peel Centre provides complimentary tickets for personal assistants, carers and support workers for those who may not otherwise be able to attend our venue. If you require a PA ticket, please contact us by telephone to purchase at 01449 774 678.

Although we do not have a viewing platform, we are able to offer wheelchair positions and accessible seats during performances for patrons who might need to make use of them. In standing-only shows, wheelchair users can gain early access by prior arrangement. Please let us know in advance if you require any of these access provisions. Otherwise, please make

yourself known to the Duty Manager on arrival and we will do our best to accommodate your request.

There is one space for blue badge holders outside the building. Other than that, we do not have any venue-specific parking. However, there are a number of public and supermarket car parks close to the venue, which are detailed below in the 'Travel Guide' section.

Travel

The John Peel Centre does not have any venue-specific parking. However, cars are able to stop directly outside the venue to drop off passengers.

There are a number of public and supermarket car parks close to the centre. The nearest car park is Union Street Car Park, approximately 0.1 miles away. Parking is also available at Asda (Iliffe Way), B&M (Milton Road), and Ipswich Street. All of these car parks are free after 6pm. Street parking close to the Centre is limited and we do not recommend it.

The nearest railway station is Stowmarket railway station, which is approximately 0.2 miles away. Directions to the centre: exit the station through the main station entrance on platform 2, heading through the car park towards Station Road. Walk up towards the traffic lights (with the Volkswagen dealership on your left), and you will see the church spire of St Peter & St Mary ahead of you. Cross at the traffic lights and turn left into Church Walk. Follow Church Walk, passing the Library on your left. The Centre is straight in front of you.
