# LIGHT HOUSE NEWS

As we head into March, Spring is definitely in the air and we look forward to more sunshine. Our courtyard looks particularly beautiful at dusk - come and see for yourself and make the most of our bar before enjoying a screening.

Spring also means the courtyard starts to get warmer, so we look forward to the start of our outdoor events season which starts this month with Wolves Women's Day. Offering stalls, talks and live music, raising money for Lotus Sanctuary who support vulnerable women across the Black Country.

We've got a great mix of films and events this month. To mark its historic Oscars win for Best Picture, as well as its many other international awards, we're bringing back Parasite - I highly recommend it. Renee Zellweger scooped the Best Actress Oscar for her portrayal of Judy Garland, so we thought the film Judy would make a good

choice to mark Mother's Day. We've also brought back Sam Mendes' 1917 - well worth a watch on the big screen as it won the Oscar for Best Cinematography.

We've included some information in the middle of this programme about how you can continue to support us as a charity with our #LoveLightHouse campaign. We rely on donations alongside our ticket sales to enable us to bring the best films, theatre screenings and events to the people of Wolverhampton, so please do consider supporting us - there are lots of ways you can help!
