

## Private Hire Information

The film to be screened can be supplied by Newlyn Filmhouse (if we are able to source it) and there will be an associated cost (c.£150), alternatively the film may be supplied by the person hiring the screen (in which case the film will need to be in DCP, or Digital Cinema Package, format).

If you would like a private hire then the standard charge for our screens (for a 2-hour slot) is:

Cinema 1 (capacity of 79 people) for £350 + VAT

Cinema 2 (capacity of 54 people) for £250 + VAT

If you are interested in pursuing further then please fill out the attached form.
